

MR. DULLES;

1. Mr. William McAfee of State reported that the State Department is in receipt of a letter from Senator Francis Greene requesting the annual briefing before the Senator Foreign Relations Committee, of which he is Chairman, concerning foreign affairs.

2. The principal portion of the briefing, according to McAfee, is State Department's responsibility, but Part IV of Senator Greene's letter is a task for the DCI. McAfee inquired whether we had received any request from Senator Greene, and on checking I find that we have not.

3. Part IV of the letter requesting the briefing includes:

- a. Estimate of Soviet Bloc Intentions.
- b. Estimate of Soviet Bloc Capabilities -- Military, Economic, Political and Scientific.
- c. Estimate of Nature and Direction of Nationalist Movement in Asia and Africa.

4. McAfee indicated there was no established date set for the briefing, but the State Department has a target date of January 8 for contributions from their people.

5. I advised McAfee that the matter would be brought to the attention of the Director and General Cabell. He indicated that Arneson's intelligence people will be in touch further on the matter.
